

All-Star After-School Program

The program will run immediately after the school day until approximately 4:45, Monday through Thursday during most weeks of the school year. A shuttle bus will drop students off in Halstad or Perley. Local students may be picked up or can walk home.

The students will receive a snack, have a physical activity time, and participate in a targeted learning activity. These learning activities will focus on a particular academic goal (math skills), life skills (making a schedule), or a social skill (anti-bullying activity).

This year the All-Star program will be partially funded by the Freshwater Area Learning Center. We will be collecting fees for the additional costs that the district will incur. If your family qualifies for free/reduced lunches, your child can attend with no cost to you. Other families will be charged \$75/quarter or \$250/year. These fees need to be paid at the beginning of each quarter. This price is a flat fee and does not correlate to how many days your child attends. This fee is also non-refundable.

The program will start on Wednesday, September 11th and follows the regular school calendar until the last day of our program on Wednesday, May 13th. When there is an early-out (whether scheduled or because of inclement weather), there will be no all-star program.

There will be no All-Stars on the following dates: October 16-18, 31; November 7, 27-29; December 23-31; January 1-3, 20 February 17; March 12-13; April 9-10.

Child's Name _____

Grade in school _____

Parent Name(s) _____

Email address _____

Home/CellPhone _____

Learning Plan Goal

Child's Name _____

This year in All-Stars, we will be setting individualized learning goals. We would like you to be a part of this.

What do you see as your child's unique strengths and interests?

What do you see as things that your child is not successful at or areas that need improvement? These may be academic, life, or social skills.

Is there anything else that you'd like to share or tell us about your child?
